Questions? Do not hesitate to call!

Dear Pathfinders and Parents,

Welcome to a new club year. This letter provides useful information about *God's ARMY Pathfinder Club, Little Warriors Adventurers and Rooted in Christ Drum Corp*, its policies, objectives, and activities. Please read it carefully before completing registration.

We aim to help your youth develop a strong love of God and an appreciation of, and respect for the world He made for us to live in. At

each of our club meetings, we repeat the Pathfinder and Adventurer Pledge and Law and follow with a devotional thought. Our meetings will consist of class work, earning honors and recreational activity as well as opportunities to help in the community.

Our Objectives every year include completing three areas of enrichment: class work, advanced class work and honors finishing the Investiture books. Each unit (grade level) has a class ("Sunbeam", "Eager Beaver" "Friend", "Companion", "Explorer", etc). Each of these classes also has an advanced portion to it. These are both designed to improve the Pathfinder/Adventurer and help them to be of greater service to God and their Community. If successfully completed, the youth are invested in these classes at the end of the year (close to the end of the school year, this year it will be held on May 29, 2021) and they can then improve their dress uniform (Type A) with them. Opportunities for community service are an important part of our program, and involvement in church, school, family or neighborhood projects is encouraged.

Extra Honors and Class work

Additional honors and class work may be completed outside of club meetings. These can also be done virtually. Honor requirements are available online at [. We recommend worksheets available online or from our club are completed when doing this. Patches may be purchased for honors or class work completed outside of club meetings, when a club staff member is satisfied that all requirements have been met. Evidence may include](#)

completed worksheets, craft projects or photos and a report or parent/guardian verification that all was done.

Schedule & Announcements

A schedule will be provided at registration for the first semester. During the year, emails and notes are sent with updates and announcements regularly. Thus it is very important to provide an email address through which you can be informed of all club activities on a regular basis. Please keep informed by checking your email.

Rooted in Christ Drum Corp- Will meet for Mondays from 6pm-8pm. You are expected to practice daily at home the homework given. We practice for upcoming parades and other activities throughout the year.

Bible Achievement Team

Six members and an alternate of God's ARMY/Little Warriors will be asked to join the PBE. We encourage every member to join the Bible study group that will begin in August to prepare for this. All Pathfinders/Adventurers who are not on this team are encouraged to continue active Bible study with others groups. Watch announcement updates for more details.

Optional Activities

In addition to our regularly scheduled meetings, we have various other activities planned for your Pathfinder/Adventurer that are optional, where attendance is not required. This year, these include outreach ministry, AYA social every 5th Sabbath after AYA and other activities as time and opportunity make possible... Parents, please ask your Pathfinder/Adventurer to show you notices with details of upcoming events or schedule changes.

We will email announcements to all parents and Pathfinders who supply an email address.

Moola

We are only asking for \$50 for the entire year as the membership fee that can be paid at registration or in a payment plan. Please let us know if there is financial need as scholarships are available. These cover the expenses incurred by class meetings, class camps and maintenance of camping equipment, honors supplies, etc. A \$5 per member discount is available to families with two or more children in Pathfinders or Adventurers. Please note that this does not cover the expense of food or transportation to these events or the cost of supplies for the honors and activities that we will undertake this year, but we will try to raise this in a variety of ways. Remember the International Camporee is in Oshkosh, Wisconsin August 12-17, 2024.

Uniform

To be a member of the Club, your Pathfinder/Adventurer will need a field uniform and a full dress uniform.

- **Field uniform** consists of a club t-shirt and jeans. Club t-shirts can be purchased at registration.
- **Dress uniform** includes black pants for boys and modest, black skirts or slacks for girls; a khaki shirt or blouse with all patches; an official Pathfinder belt; a yellow scarf; and a black honor sash. Adventurers will have blue pants or girls jump skirt, scarf and honor sash.
- Ask for a chart to correctly position insignia on a dress uniform shirt.

- Uniform pants will be worn with belt and shirts tucked in just as with skirts

The Club can assist you in ordering uniform parts or you may purchase these items on your own, as long as they have the exact features of the uniform parts ordered from Advent Source. Used uniform parts that another Pathfinder has outgrown may be available at a reduced price at the time of registration.

Committed Staff / Volunteer Needs

The All Nations SDA Youth Group is a very active one, as you will note from the accompanying schedule of events. Operating a club as ours requires many committed people. If you have a special hobby or interest, perhaps you would enjoy teaching the honor most closely associated with that interest. And the club always needs drivers for our different events. If you are interested in helping out in the Pathfinder club please contact me or the deputy director.
