Water bottle with spill-proof lid  
Calculator  
Earbuds for computer  
1 box Kleenex  
1 Container Clorox wipes

## Emergency Survival Kit

Dear Parent/Guardian,

The possibility of a major earthquake or other disaster in Washington makes it imperative that our students are prepared. If an earthquake or other disaster were to occur during the school day, the possibility exists that your child(ren) would need to remain at school for up to 72 hours. It is vital that you provide an Emergency Survival Kit for each of your children. You may purchase pre-packed kits from NCS or you may make your own.

### Emergency Survival Kit:

3—8 oz. Juices (cans are better since cans do not break)

3—4 oz. Cans of fruit with pop tops OR three snack size packs of dried fruit

3—Peanut butter or cheese & cracker type snack packs OR granola bars

3—Plastic spoons or forks, wrapped in napkins

Individually wrapped moist towelettes (sealed)

Solar blanket

A note and family picture

A note with your child's name, address, phone, parent/guardian's name, phone numbers, and doctor's phone number.

Please enclose the items in a one-gallon storage bag, with your child's name on the outside. If your child requires daily medication, please contact the school to arrange a method of having the medication available in the event of an emergency.
