Sabbath March 20 we have the privilege of having Dr Rivelino Montenegro with us.

Dr Rivelino is one of the most prominent scientists working in Europe, and he will be joining us through zoom. Because of this opportunity to have him with us, we will not have the normal lesson study at 10:30, but instead, at the same time, we will have a Q&A session on the topic of Vaccines. This one-hour event will be followed at 11:30 with the normal sermon also presented by him.

Are you interested in participating in a Book Sharing club through the church?

We all have excellent Christian books on our shelves that we have already read, maybe many times. Would you be willing to share yours with other church members? If so, we could put together a shareable books list to look over and borrow books of interest. We will figure out a Covid safe way to exchange books. Send me an email if you're interested, louise.rauser@gmail.com.
