**Re-Opening of Churches in BC Conference
(Letter from Pastor Wesley, President of BC
Conference – May 21st, 2020).**

“We are currently working on a set of guidelines regarding the re-opening of our churches in harmony with the BC Ministry of Health regulations. The expectation is that the Health officer will soon release additional detail on the procedures and health rules specifically for churches services as we move to the new phases in dealing with COVID-19. We are monitoring the situation and will send you that document, hopefully early next week, in preparation for June 6, the date that we anticipate to re-open our churches. We are looking forward to that opportunity for us and our members to safely return to our congregations to worship the Lord as a family, upholding the Provincial Ministry of Health guidelines. The current BC Ministry of Health regulations are in force until May 30. Thank you for your cooperation in abiding by these rules during this time.”

Please be rest assured of our prayers for each of you and your church families.”
