AUGUST 30 through September 3, 2021

SPONGE EFFECT OF GOD'S LOVE

Saipan SDA School continues to bring great messages to all students where learning is an exciting experience. For the past month of August and throughout the school year, the theme for the school centers around the "Fruit of the Spirit" in reference to Galatians chapter five, where August targets on "Love". Even in the school's early Friday morning Chapel service, children come together to understanding (in a collective way) how to share God's Love, and still understand that His Love is greater when they learn to share and care for each other. Kyle Diesta, an eighth grader, under the capable direction of one of the school's enthusiastic student missionary, Catherine Kolinek (who is also one of the instructors in the kindergarten department), volunteered in an experiment that helped all the students better understand how boundless and enormous God's Love really is.

Absorbing the sponge from a smaller bowl and pouring it in another cup and doing the same with a larger bowl into a cup was an illustration that proves how long and deep,

and great and high God's love expands. One Bible Scripture reference states, "And I pray that you and all God's holy people will have the power to understand the greatness of Christ's love. I pray that you can understand how wide and how long and how high and how deep that love is" (Ephesians 3:18). The Saipan SDA School wishes to thank Catherine and Kyle for their great volunteered service in expressing human love -vs- God's Love.

A Touch Of Lego Fever

Students are able and willing to receive instructions from their teachers, putting into practice teamwork or many in the educational field would call it cooperative learning. The fifth and six graders in several sessions and the seventh and eighth graders in a few sessions shared one way of cooperative learning as they were able to work together in building a structure where each group was given the same amount of Lego's in trying to put together the greatest design possible and afterwards, being able to explain their reasoning. One student expressed that "working together takes patience and communicate".

Saipan SDA CDC and School continues with their new theme of the year "Fruit of the Spirit" and connects it with their exciting action song, "Light of the World. They want the Light of Jesus Christ to shine in their heart that only God is gracious to give. They will as a result shine that the whole world may be drawn to Him, Jesus Christ (a community of love).

SATURDAY – THE NATURE JOURNEY

Every Saturday morning, for the past year, Saipan SDA CDC and School remains committed to spending at least one hour or more reflecting on "God's Nature", starting from 8:30am and ending close to 9:30am "Light of the World. The school is very proud of its student missionaries that have been great and so instrumental in sharing their life experiences and dedication to the Sabbath School Program. During the summer session Kyra Collins and Megan Napod (Student Missionaries) started out on assisting the Nature (Saipan SDA Sabbath School) Program, and it has been successful and growing ever since. On their departure back to their university of learning Catherine Kolinek and Samantha Wawondatu (also Student Missionaries) joined with the school to keep the program going and growing. Many students are availing themselves the opportunity to be taught by their leadership. The school thanks them for their fortitude and commitment in the mission work. Much can be said about the efforts they have put into the school, pouring their love from God to

many of the children in assisting in the classrooms as well.

Looking For Best Stories from Students:

\$10 - \$25 - \$35 REWARD!

For **BEST STORY** of a student's "First Week Back to School"; \$10 for K-2nd grade with 50 words or more; \$25 for 3rd- 5th with 100 words or more; and \$35 for 6th - 8th grade with 250 words or more. Must be legible within the margin, handwritten, on the line; grades 3-8 must be cursive writing. CLUE: adjectives

After School Academy

SY 2021 - 2022

Monday

Grades K to 2 - Math Homework Help
Grades 3 - 8 - Flag Football

Tuesday

Grades K to 2 - Writing / Poetry
Grades 3 - 8 - Lang. Arts Homework Help

Wednesday
