How to Pray

We all like to spend time talking with our friends. God is our very best friend and He wants to hear from us. Prayer is how we talk to Jesus and stay close to Him. When we pray, we first want to thank Him for His love and care, then we can ask for forgiveness for the wrong choices that we have made, and then share with God ways that we need His help either for ourselves or others. It's good to have regular times that we pray to God, but remember you don't have to wait until then to talk to God. He wants to hear from you anytime and anywhere!

Completes requirements for Prayer #1,4.

Prayer Journal Craft

Make your own prayer journal. (If you still have stamping skills you need to practice, this would be a good way to get them done.) Ask others if they have a special request for prayer, write down that request in your journal, and take turns praying for others. During your quiet time review these prayer requests and record the ways that you see God answering your prayers!

Completes the requirements for Prayer #5.

We can talk to God anytime and anywhere! Though we may not always be able stop what we are doing we can always talk to God! *This week commit to talking to God in Prayer at least three times a day and review the Lord's Prayer found in Matthew 6:5-15.*
