

Kindergarten Class Supply List

In Kindergarten we are dedicated to giving your child the best education possible, while keeping your child safe and healthy. Since the COVID-19 pandemic we have looked closely at school supplies and how we can better utilize them while keeping your child safe. As we did last year, we will be having a supply cost for kindergarten. The cost this year is \$50. This is a small increase from last year. We realized last year that the students went through their supplies so fast that we needed more.

This cost covers the following:

A rental of rain pants for the year

Lysol Wipes

Scissors

Glue Sticks

Boxes of Crayola Crayons

Boxes of Crayola Markers

Boxes of Crayola Colored Pencils

Tissue Boxes

Packets of colored construction paper

We are very proud to offer Forest Kindergarten at Redwood. There are some supplies that you can provide for your child that will stay with us for the duration of the school year. These are:

Garden Gloves

Rain Jacket

Rain Boots

Complete change of clothes

There are some things that we ask you have for your child as part of their essentials:

Backpack (not mini sized)

Lunchbox

Water Bottle

We have rest time every day. We ask that you send a **child size blanket** for your child to have for this time of the day. This will be kept at school for your child's use only.

Lastly, we ask that **NO** toys be brought to school. We have discovered that toys from home get lost, dirty, broken and fought over, and we would like to avoid this distraction. We will have show and tell every Friday where students will have the opportunity to bring something from home. A show and tell schedule will be sent home before the start of the year.

Mrs. Ari and I are looking forward to this year with your child. We are going to have so much fun!
