

Dear Parents/Guardians:

Welcome to Midland Adventist Academy's Athletic Department. We are honored that you are encouraging your child to participate in our sports program. Please take a minute to read the following information.

Midland's athletic program strives to uphold our school's mission "Developing passionate followers of Christ who love God and serve people." We can make this year a success as we work together to encourage our student athletes to uphold Christian standards in and out of the athletic arena. We want to represent Christ to our community through athletics. We have a long tradition of Christian sportsmanship and we will continue this tradition as we uphold our high Christian standards.

Our athletic program would not exist without parent volunteers. Each athlete's parents are asked to pay an athletic fee or sign up for volunteer slots throughout the season to aid in subsidizing that fee. Volunteer slots are found in a red folder in the gym office see Coach Liepke.

You have **two options** for the Midland Athletic Sports Fee.

Option One:

High School Volleyball Sports Fee: \$200 (\$150 for multiple athletes per family) per sport for parents/guardians who decide not to volunteer.

High School (JV) Volleyball Sports Fee: \$100 (\$75 for multiple athletes per family) per sport for parents/guardians who decide not to volunteer.

Junior High Volleyball Sports Fee: \$100 (\$75 for multiple athletes per family) per sport for parents/guardians who decide not to volunteer.

High School Cross Country Sports Fee \$80 (\$60 for multiple athletes per family) per spot

High School Soccer Sports Fee \$80 (\$60 for multiple athletes per family) per spot

Option Two:

The High School Sports Fee is reduced to \$80 when a parent/guardian volunteers for Volleyball home game work slots. *Generally there are 4 slots per first athlete and ADD 2 for multiple athletes per sport.*

The Junior High Sports Fee is reduced to \$40 when a parent/guardian volunteers for Volleyball home game work slots. *Generally there are 3 slots per first athlete and ADD 1 for multiple athletes per sport.*

If you would like to volunteer, but there are scheduling conflicts, see the Athletic Director for alternative volunteer work soon as options are limited.

We are encouraging parents to drive their student athletes to and from games as much as possible. Student athletes who do not have this as an option will be required to ride to and from these athletic events on the bus or with a coach who has driving clearances.

Uniforms must be taken care of. Please wash and strictly adhere to washing instructions. Store them in a safe place. Please return them to your coach in the manner he/she requests. Failure to return them in the condition they were given, or complete failure to return, will result in your account being charged for the full replacement price of \$85.

Athlete Agreement 2021/2022

As a student athlete, I understand that the following is expected of me. Failure to follow the team rules could result in suspension or release from the team.

1. Show respect for authority to the officials of the game and of the opposition.
2. Demonstrate good sportsmanship before, during, and after games.
3. Display a positive attitude toward all members of the team, including coaches and parents.
4. Be courteous of opposing teams and treat all players and coaches with respect.
5. Be modest when successful and gracious in defeat.
6. Respect the privilege of the use of facilities and equipment.
7. Uphold MAA student Conduct Guidelines in the MAA handbook.
8. Show up to all team functions on time, including: practices, games and team activities. If unable to show up, it is imperative to notify a coach by text, phone call, or email as soon as possible. (Please note: excused absences by MAA or coach may affect your game time). The reason is that we need to develop teamwork. If you are not at practice, you will miss an opportunity to develop teamwork. Also, each person needs to be held accountable for his or her actions and choices on and off the court.
9. All participants (athletes, team managers, and helpers) must maintain a 2.0 GPA or higher. Should a sports participant receive an incomplete, an F, or more than one D on the most recent grade report, he/she will be ineligible to participate (practice and play games) until the following grade quarter when grades will be assessed again. Grades will be assessed at the first 4 1/2 weeks grading period and then every quarter thereafter.
10. Practice expectations:
 - a. Show up on time and be prepared. This includes appropriate attire such as shirt, shoes, and various sports equipment such as kneepads, ankle braces.
 - b. Be ready to fully participate when practice time begins. We have limited practice time and need to utilize the time we have together as a team in the gym.
11. MAA has put certain policies in place for sports to reduce the risk of becoming infected with COVID-19. Despite the schools best efforts, there is still a chance that you could be exposed to COVID-19

Parent Agreement 2021/2022

I recognize that **parents** are the most important role models for their children and that athletics help to develop a sense of teamwork, self-worth, sportsmanship, and accountability. I encourage my MAA student athlete to play by the rules and respect the rights of others. I understand it is important to enforce rules of play and set conduct standards as necessary components in athletics and life.

As a parent, I agree to support my child and the team by:

1. Encouraging good sportsmanship by demonstrating positive interactions towards all players, coaches, fans, and officials at games, practices, and any other team activities.
2. Placing the wellbeing of MAA student athletes before a personal desire to win.
3. Advocating a sports environment of my MAA student athlete that upholds MAA Student Conduct Guidelines in the MAA Handbook.
4. Encouraging my student to play by the rules and respect the rights of other players, coaches, fans, and officials.
5. All participants (athletes, team managers, and helpers) must maintain a 2.0 GPA or higher.
