The Impact of a Gift

Throughout the 2021 Giving Record, Dorene Bell was consistently involved and passionate about giving back. Her contributions were not only monetary but also involved her time and efforts. She believed in the power of giving to make a difference in the lives of others.

As we met for a special day to discuss our plans, I took the opportunity to speak to Dorene about her giving. Her enthusiasm was palpable, and she shared her stories of how giving back had impacted her life and the lives of those she had supported. Dorene's generosity went beyond the financial contributions she made; it was evident in the way she lived her life, always looking for ways to help others.

Dorene's story is a testament to the power of giving. Her examples inspired us all to consider the impact our giving can have on the world. As we look back on the year 2021, we take pride in the giving record and are grateful for the contributions of Dorene Bell and others like her.
