We have many upcoming plans for SNEC Children's Ministries. To facilitate communication and planning, it is now required for all local churches within the SNEC Conference to send yearly the list of all Children's Ministries Staff and Volunteer; including their phone numbers and email addresses (if available). Please email this information by **April 5, 2019** to snec.children@gmail.com. Remember that all staff and volunteer, 16 years old and above, working with children must complete the Verified Volunteer as required by the General Conference. All staff and volunteers that have not yet completed this step, must complete it as soon as possible, preferably by **April 5, 2019**. We will check with the SNEC Verified Volunteer Coordinator to make sure that all churches are in compliance.

The Children's Ministries 2019 Retreat is planned for **August 4-7, 2019** at Camp Winnekeag in Ashburnham, MA. More information regarding the retreat will follow. Please save the date and spread the word. Parents are required to attend with their children as this retreat will focus on both the parents and the children. We thank you in advance for helping us make this retreat a success. Attached, please find a copy of the official Save-the-Date flyer.

God calls us to "Train up a child in the way he should go: and when he is old, he will not depart from it.—Proverbs 22:6". We thank you for your commitment towards Children's Ministries. Your contribution is greatly valued and we pray that God may continue to bless you in your ministries. We look forward to working with you! Please contact us and let us know how we may support you and your church in your ministry.

In Christ,

SNEC Children's Ministries Coordinators: Chrystine Amoah, Laura Kryger, Takishah Michel-Laforest
