

GREATER LOS ANGELES REGION
Southern California Conference of Seventh-day Adventists

2020-2021 SCHOLARSHIP FUND APPLICATION
Seventh-day Adventist Schools GRADES 1 - 12

One of the goals of the Greater Los Angeles Region is to encourage parents who are Seventh-day Adventist Church members in GLAR to send their children to one of our conference sponsored Seventh-day Adventist schools here in the Southern California Conference. Some students may need some financial assistance due to the high cost of living. Limited funds may be available to assist in this endeavor. The Greater Los Angeles Region suggests that you **FIRST CONTACT YOUR CHURCH EDUCATION SECRETARY AND REQUEST FINANCIAL ASSISTANCE.** If you need further assistance, please complete the form below and obtain the signature of your senior pastor (or Head Elder if no pastor) *and* the principal of the school where your child attends. *Children of denominational employees who receive conference tuition aid are NOT eligible.* **Parent ONLY is responsible for returning completed application to GLAR. Incomplete or inaccurate information will cause application to be denied.**

Please complete one application form per student!

THIS COMPLETED APPLICATION MUST BE RETURNED WITH THE REQUIRED SIGNATURES NO LATER THAN MONDAY, AUGUST 10, 2020:
