

OUR MISSION

The mission of SSAJA is to provide quality, Christ-centered education that empowers our students to attain academic excellence and be effective citizens in their communities, while reaching God's ideal for their lives through spiritual, moral and integrity, thus preparing them for eternity.....today.

GOALS

Students who attend and complete their elementary education at SSAJA will:

- + Promote the development of a consistent Christian life and character
- + Challenge the intellect and motivate to academic pursuits
- + Be trained for leadership in the church and in the community
- + Develop an awareness of God and His personal interest in their daily activities
- + Be instilled with the ideals of honesty, integrity, dependability, neatness and punctuality.
- + Cultivate an understanding of cultural diversity.
- + Learn to develop an appreciation of God through academic discipline

Educating for Eternity.....Today!

OBJECTIVES

“True education means more than the pursuit of a certain course of study...it is the harmonious development of the physical, the mental and the spiritual powers. It prepares the student for the joy of service in this world, and for the higher joy of wider service in the world to come...” (Education, page 13)

ABOUT US

Since 2004, the Springfield Seventh-day Adventist Junior Academy (SSAJA) has provided a diverse, dynamic, and balanced Pre-School to Grade 8 program which promotes excellent academic, cultural and spiritual awareness in an environment that is safe and caring.

SSAJA was founded and operates upon the belief in The Creator God, who is vitally interested in the identity, purpose and destiny of humanity. Our school is commissioned to ensure that its students are guided into attaining the fullest possible development of their mental, physical, spiritual and social capacity.

“I can do all things through Christ which strengtheneth me.” Philippians 4:13
