Alfalfa Sprouts Sales

Students in grades 1-3 continue their sprouts sales as a way of learning about stewardship and generosity. The profits go towards supplying kits for the homeless filled with toiletries and other goods. Ultimately the class hopes they may help to fund the drilling of a well in a third-world country.

Please place your order a week in advance by emailing parkviewsprouts@gmail.com by Friday and **sending in \$3.50 in cash or check with your child**. Your sprout order will be sent home the following Friday.

Absent or Sick Child/Early Pick-Up

If your child will be absent for the day, please call the office **before 9am** to inform us of the reason for the absence. Early pick-up is available for **medical appointments or emergencies**. Please call the office no later than the morning of to notify of medical appointments and at least an hour in advance (if able) in the case of an emergency. Thanks!

Job Supervisors Needed!

Students in Mrs. Kaiser's class are really enjoying their experience of having an assortment of jobs this year in which they learn a host of valuable life skills—work ethic, honesty, teamwork, money management, and more!

The class could use a couple more adult supervisors to help with these jobs. If you are a parent that drops your child off in the morning and are able to stay around until 8:45am Mrs. Kaiser would appreciate your help. Please contact the office or Mrs. Kaiser directly if you are interested in helping.

Sicknesses

Unfortunately it's that time of year when we see more sniffles and coughs around us. Often these symptoms are benign, however they can be associated with the COVID-19 illness. As a safeguard to keep our school COVID-free we kindly ask that if your child is experiencing any of the symptoms below to keep him/her home until they are symptom-free or have received a negative COVID test. **If your child has been absent due to illness, a negative COVID test result is required to return to school.** Please send a copy of the results to the office.

Common COVID-19 symptoms include: fever, chills, cough, difficulty breathing, body aches, sore throat, loss of taste or smell.

COVID Resources

Recent feedback from a few families has made us aware that local testing sites are overwhelmed. **Onondaga County Health Department is encouraging families to utilize the NEW site for return-to-school testing located at the Boys & Girls club at 201 Hamilton St. You must make an appointment [ONLINE](#), no walk-ins.** The site is open from **8am-11am M-F** offering same-day results so that students with a negative result may return to school the following day.

Additional resources:

- Info for molecular and antigen tests: <https://covid19.ongov.net/appointments/#SEC>
- NYS COVID-19 Test Site Finder: <https://coronavirushealth.ny.gov/find-test-site-near-you>

Testing is provided at Upstate Medical University, Syracuse Community Health Center, Quest Diagnostics clinics, many pharmacies, and WellNow Urgent Care centers.
