Bonfire Worship

Welcome back to all our families for another school year! We invite you to gather for an evening of fellowship and worship around the fire—playing games, singing songs and enjoying s’mores (vegan and gluten free options available). Please bring a lawn chair and/or blanket if you have one.

After School Care

Our after school care program will begin this Monday, August 30th. Prisca, a graduate of Parkview will be in charge of the program under the guidance of our teaching staff. The program hours are **M-Th 3:15-5:30pm. The fee is \$4/child per hour and \$1/quarter hour.** This fee is most reasonable as market rates for after care services are up to 4 times this so please do not quibble over minutes. In order to use the service all fees need to be **paid in advance**. If you did not pay the initial \$36/child deposit by today, please bring payment in full on Monday morning. Any unused funds will roll over. Each Friday you must bank up to \$36/child to allow him/her to participate in after care services the following week. All payments must be in the form of cash or check. Children will be signed out at time of pick up, please be prompt.

Drop Off / Pick Up Procedure

Thank you for your cooperation and patience this week during drop off and pick up times. For the most part, everything has gone smoothly. We work to be as efficient as we can to respect everyone’s time. **To minimize the risk for accidents, please stay in line unless otherwise directed by staff.**

Smile.Amazon.com Users Make Parkview Happy

New Office Staff

For those unaware, Sharon King retired at the end of last school year. We thank her for her committed service and wish her well as she enjoys retirement. Kelsey Hayes has taken over the position and will be your contact for any questions or correspondence.

Breakfast and Lunch Program

Through generous donors we are able to provide free breakfast and lunch to all our students. We stretch these funds to feed nearly 60 students through the school year and provide the healthiest food choices it allows. We strive to uphold a strong nutrition policy, serving whole-foods free of artificial ingredients to the best of our ability. If your child does not care for a particular meal or our menu does not meet your food standards, please plan on packing lunches from home and feeding your child breakfast before he/she arrives at school. **A reminder that in order to eat a school breakfast your student needs to be in the building by 7:45am.** Thank you.

Piano Lessons

Kathy Strickland will continue Zoom piano lessons this school year for current students and has availability for new students 3rd grade and higher. Younger students may enroll should in-person lessons resume. If you are interested in signing your child up for Zoom lessons please **TEXT** Kathy at 315.730.4451.
