Our work is to proclaim the third angel's message. Men are needed who understand the truth to be proclaimed, who realize what class of matter should come from our printing presses. We are to adhere steadfastly to the truth for this time, seeking in every way possible to block the wheels of Satan's car. {PM 101.1}

In the face of the most positive commands of God, men and women will follow their own inclinations and then dare to pray over the matter, to prevail upon God to consent to allow them to go contrary to His expressed will. The Lord is not pleased with such prayers. Satan comes to the side of such persons, as he did to Eve in Eden, and impresses them, and they have an exercise of mind, and this they relate as a most wonderful experience which the Lord has given them. A true experience will be in perfect harmony with natural and divine law. False experience will array itself against science and the principles of Jehovah. The religious world is covered with a pall of moral darkness. Superstition and bigotry control the minds of men and women, and blind their judgment so that they do not discern their duty to their fellow men and their duty to yield unquestioned obedience to the will of God. {3T 72.2}
