The faith of Abraham should be our example, yet how few will patiently endure a simple test of reproof for the sins which imperil their eternal welfare. How few receive reproof with humility, and profit by it. God's claim upon our faith, our services, our affections, should meet with a cheerful response. We are infinite debtors to the Lord and should unhesitatingly comply with the least of His requirements. In order to be a commandment breaker it is not necessary that we should trample upon the whole moral code. If one precept is disregarded, we are transgressors of the sacred law. But if we would be true commandment keepers we should strictly observe every requirement that God has enjoined upon us. {4T 253.2}

The greater man's influence for good, under the control of the Spirit of God, the more determined will be the enemy to indulge his envy and jealousy toward him by religious persecution. But all heaven is on the side of Christ, not of Antichrist. Those who love God and are willing to be partakers with Christ in His sufferings, God will honor. Antichrist, meaning all who exalt themselves against the will and work of God, will at the appointed time feel the wrath of Him who gave Himself that they might not perish but have eternal life. All who persevere in obedience, all who will not sell their souls for money or for the favor of men, God will register in the book of life (MS 9, 1900). {7BC 950.1}
