

Community Services with All Deaf

July Issue
2021

Points of Interest

- Congratulations!
- New CSAD Interpreters
- Church Services

We hope you all are enjoying your summer! As things start to open back up, we hope to have more announcements to share with you soon!!!

Congratulations to Lydia (Dykhouse) Neumayer on her marriage to Aaron this last May!! Lydia is one of CSAD's contract interpreters.

Meet our New Interpreters!

Hello, my name is Diana Hankins. Growing up I have had four wonderful Deaf people play an important role in my life. They are both my parents and my aunt and uncle. They have been a huge influence when it came to learning about the Deaf community and learning Sign language. Thanks to them I was able to meet interpreters and gained the inspiration to study and become one myself. I graduated from my ITP in April of 2020 and have been working professionally since August of 2020. I look forward to working with the community and gaining more knowledge as an interpreter.

MEET OUR NEW INTERPRETERS: Kate Grimme

My name is Kate Grimme. I was born in Lebanon, OH where I lived until I moved to Indiana for college in 2017. I started learning sign language when I was ten years old in order to honor my grandfather and fell in love with the language. I recently graduated from Goshen College with a B.A. in American Sign Language Interpreting. In my spare time, I love getting involved with musical theatre or going to see musicals. I also love hanging out with my friends and family to play board games or watch movies.

If you have an upcoming appointment and want to confirm that an interpreter has been scheduled for it, feel free to reach out and check with the CSAD staff.
