

IOWA TEST RESULT COMPARISON

A Four Year Average Study
Washington Conference vs. NPUC

December 2017

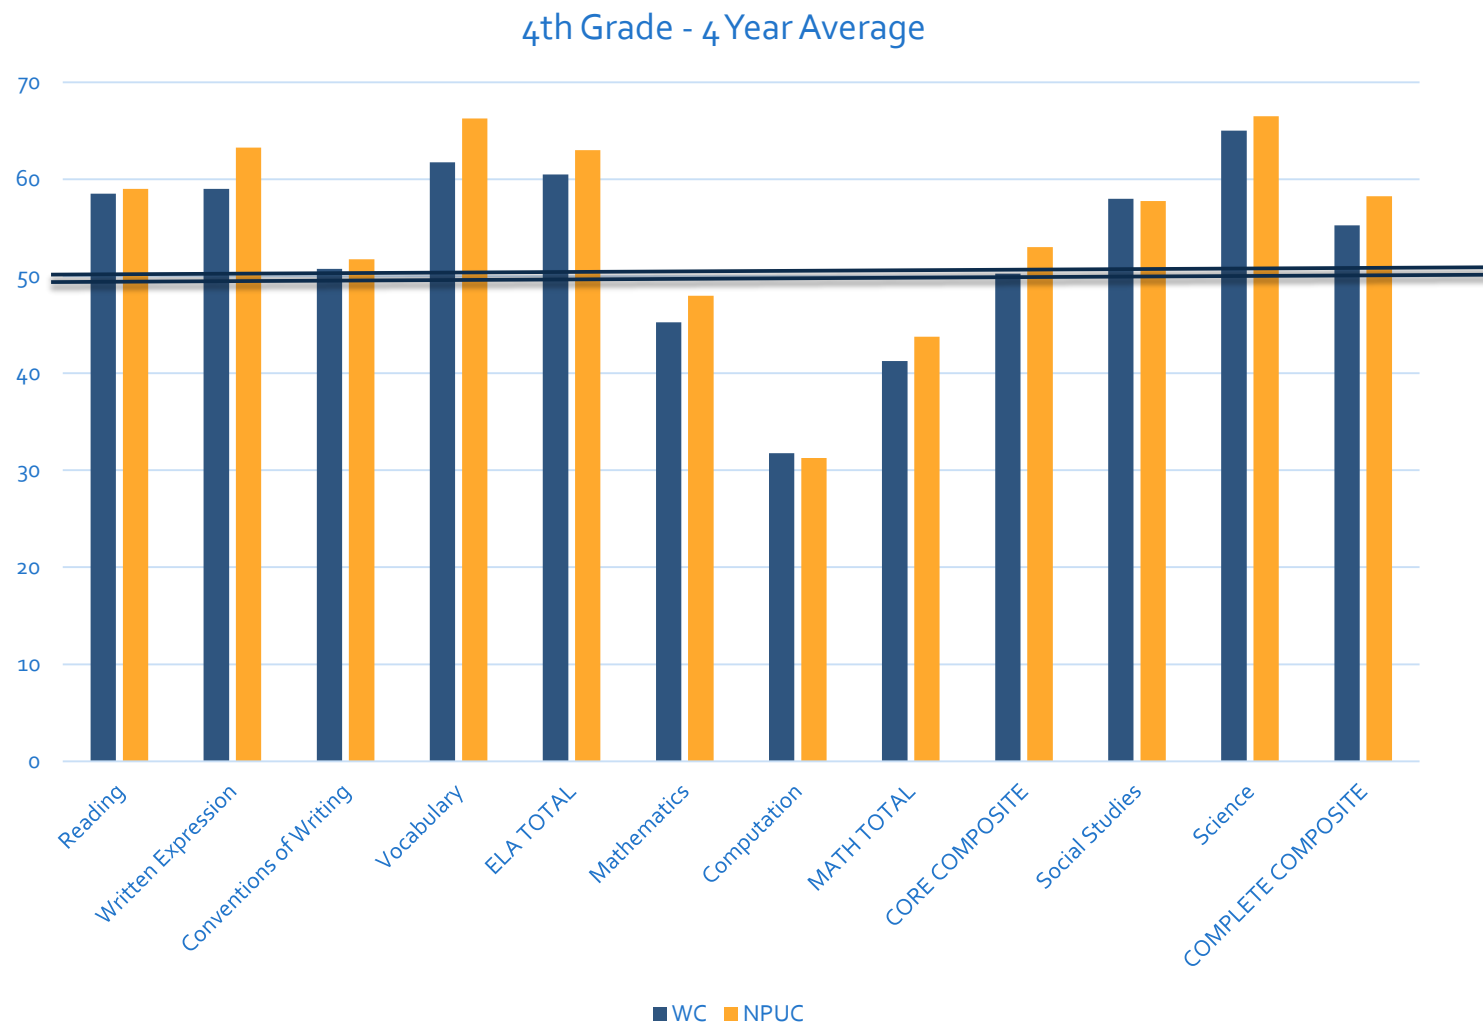

Third Grade 4-Year Averages

Over 4 years,
WA Conference
schools are
being outpaced
in all measurable
areas by NPUC
schools.

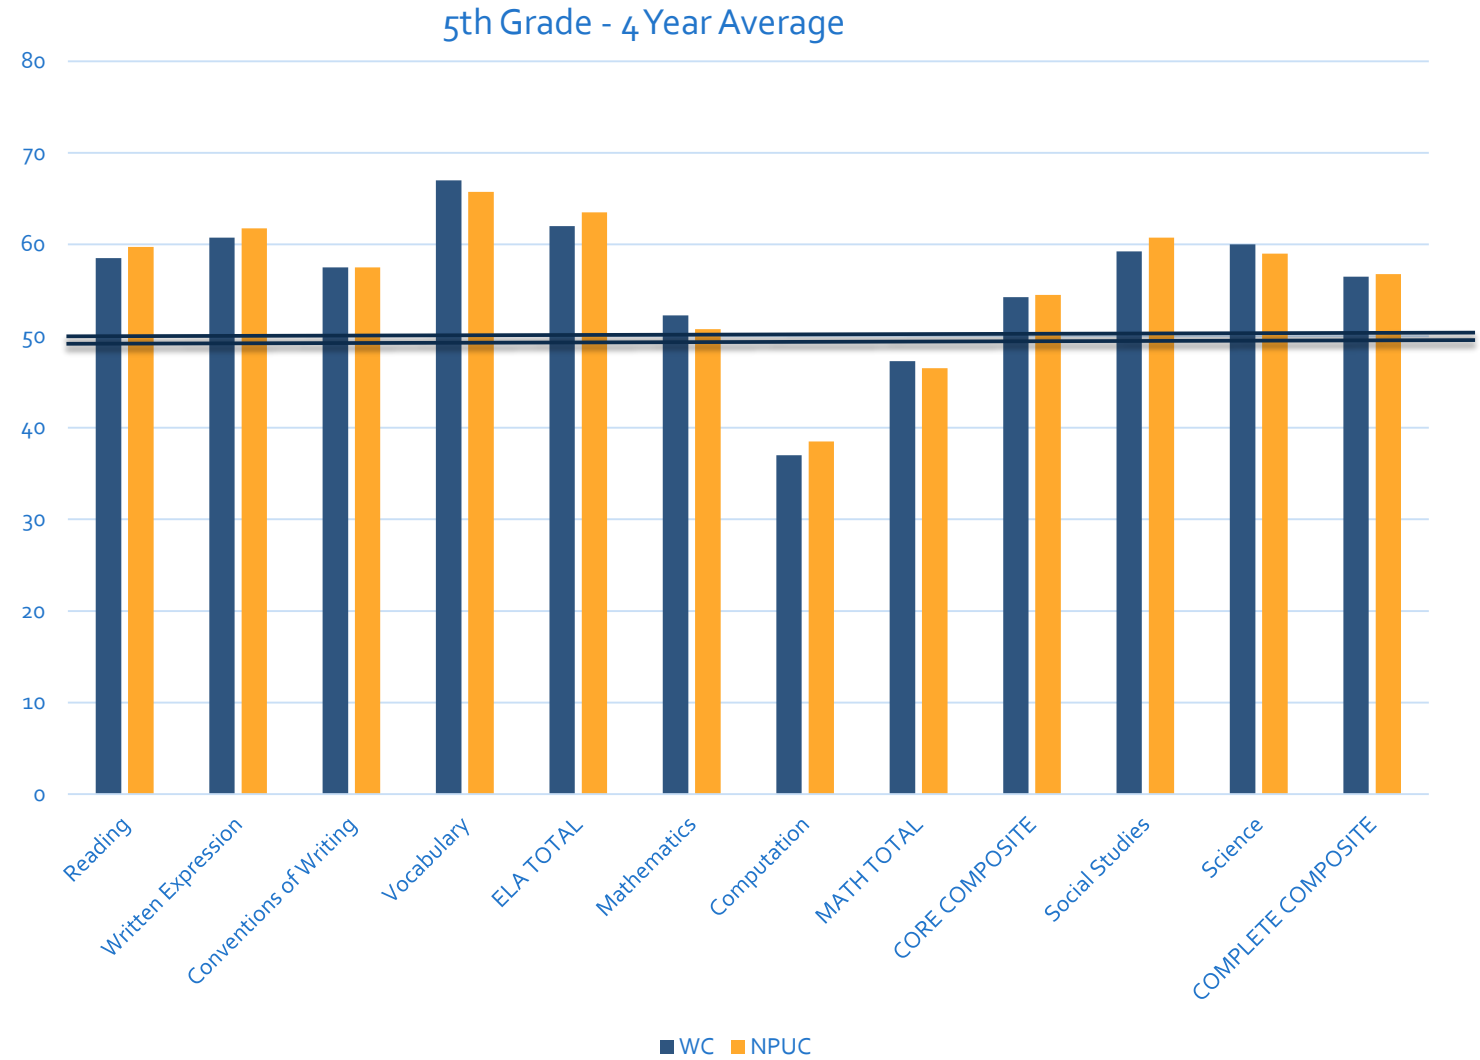

Fourth Grade 4-Year Averages

By 4th grade, WA
Conf. schools
have caught up
or surpassed
NPUC averages.

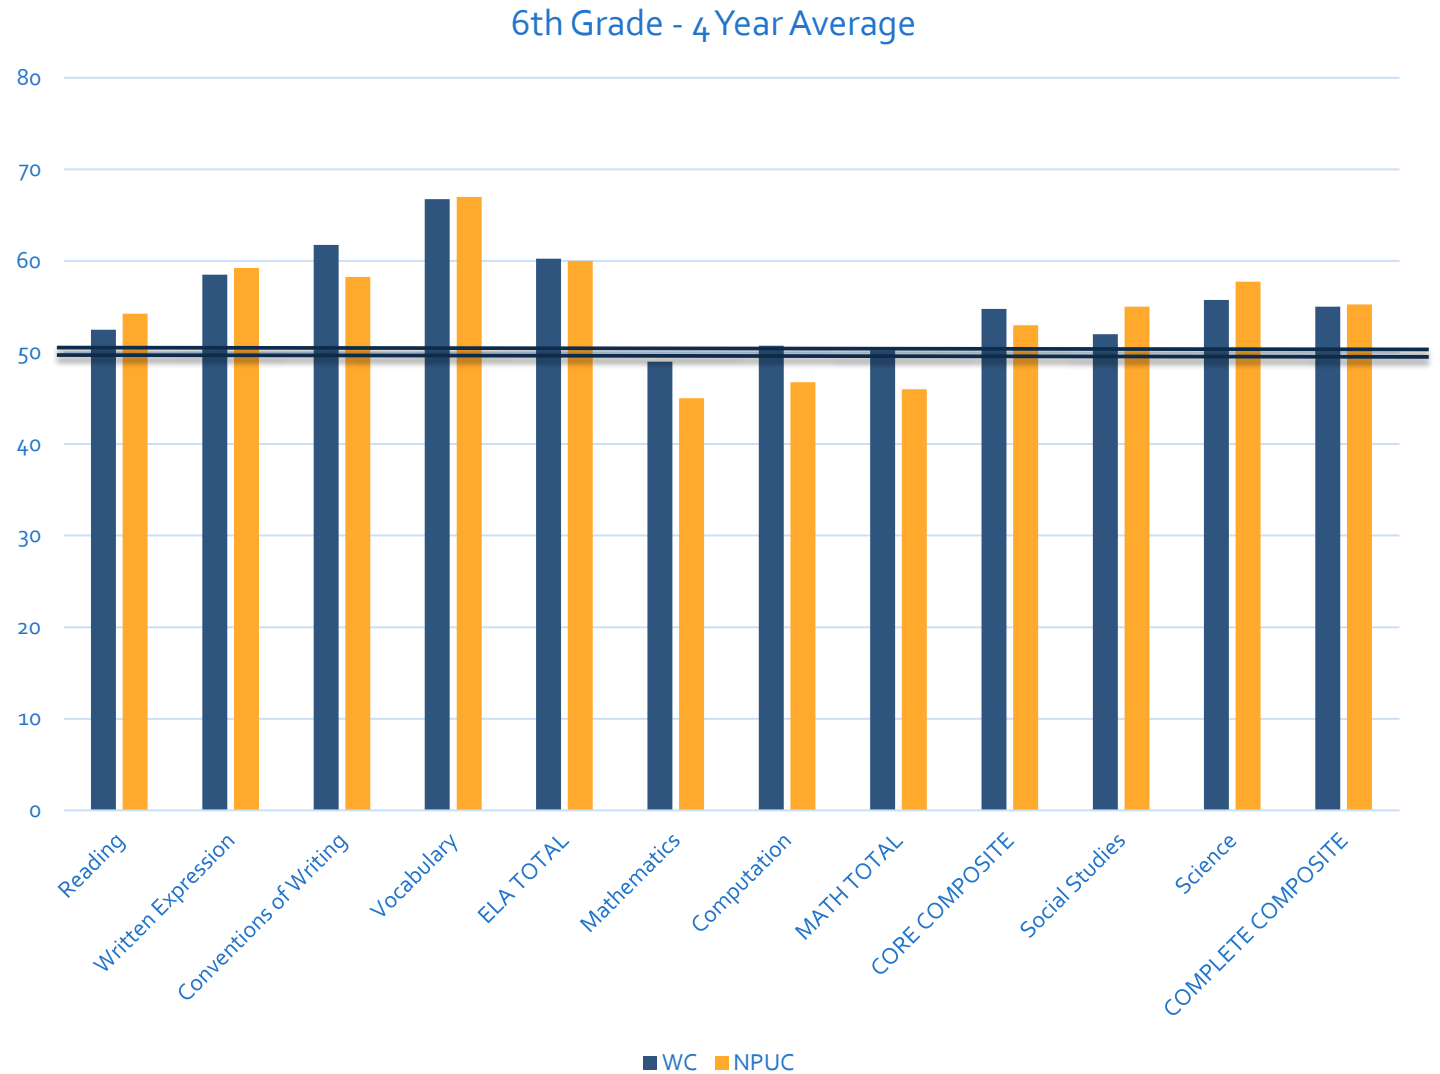

Fifth Grade 4-Year Averages

Math
Computation
continues to be
a serious area of
concern in our
lower grades.

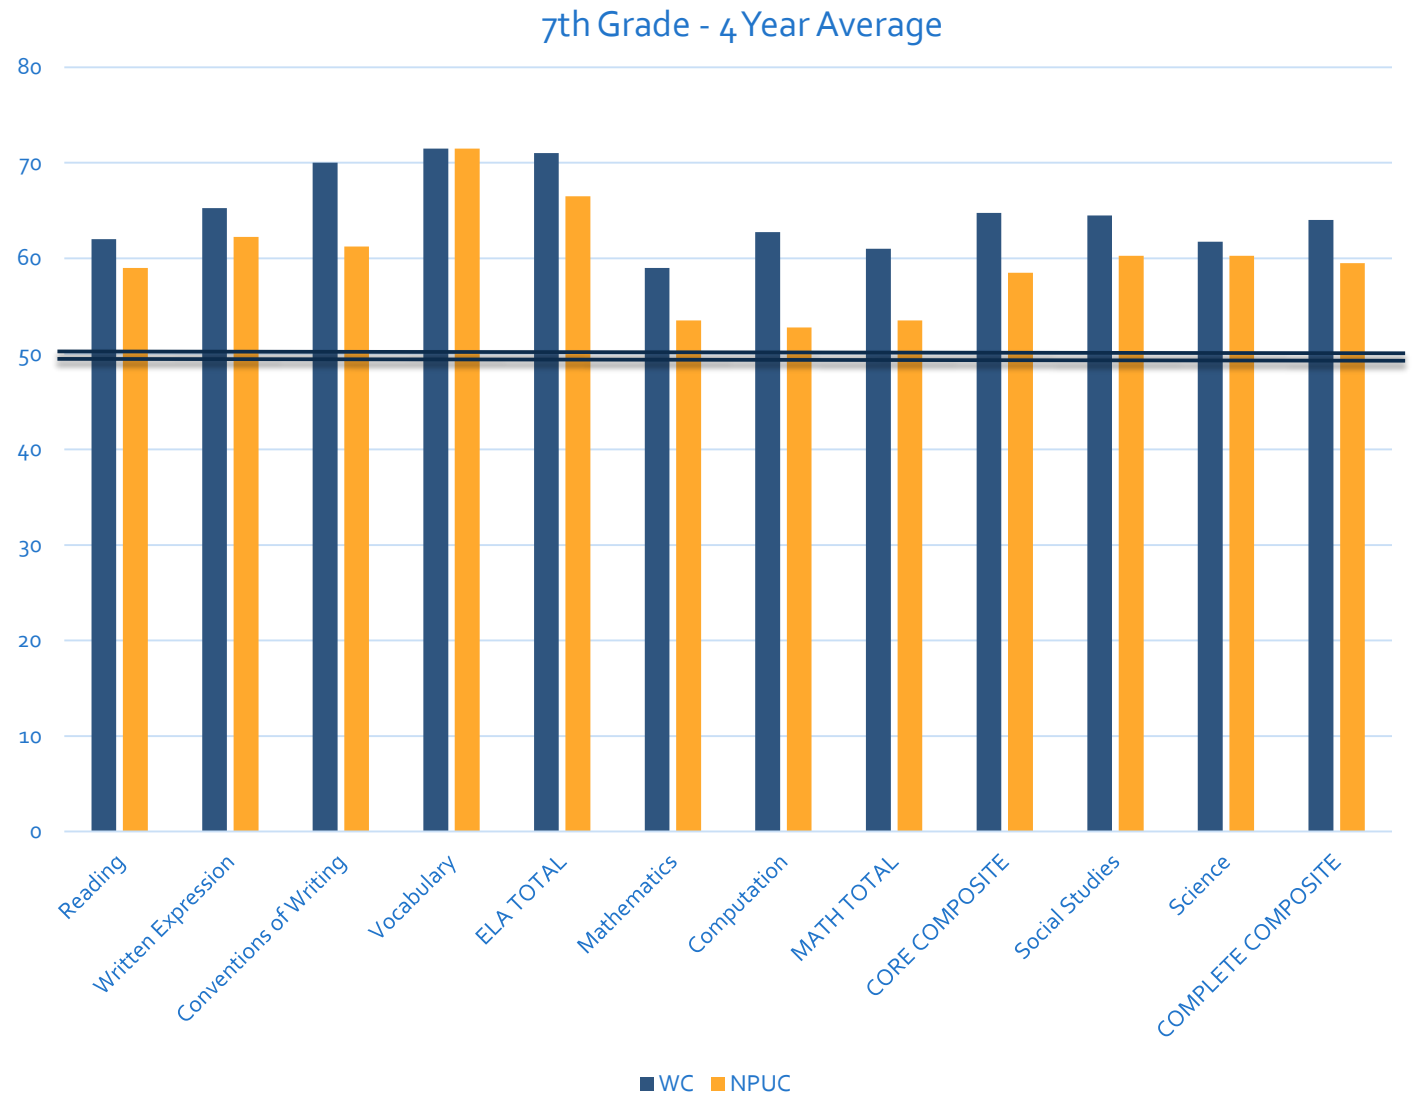

Sixth Grade 4-Year Averages

Sixth grade scores soar in the areas of writing, mathematics, computation, and student's core composite skills.

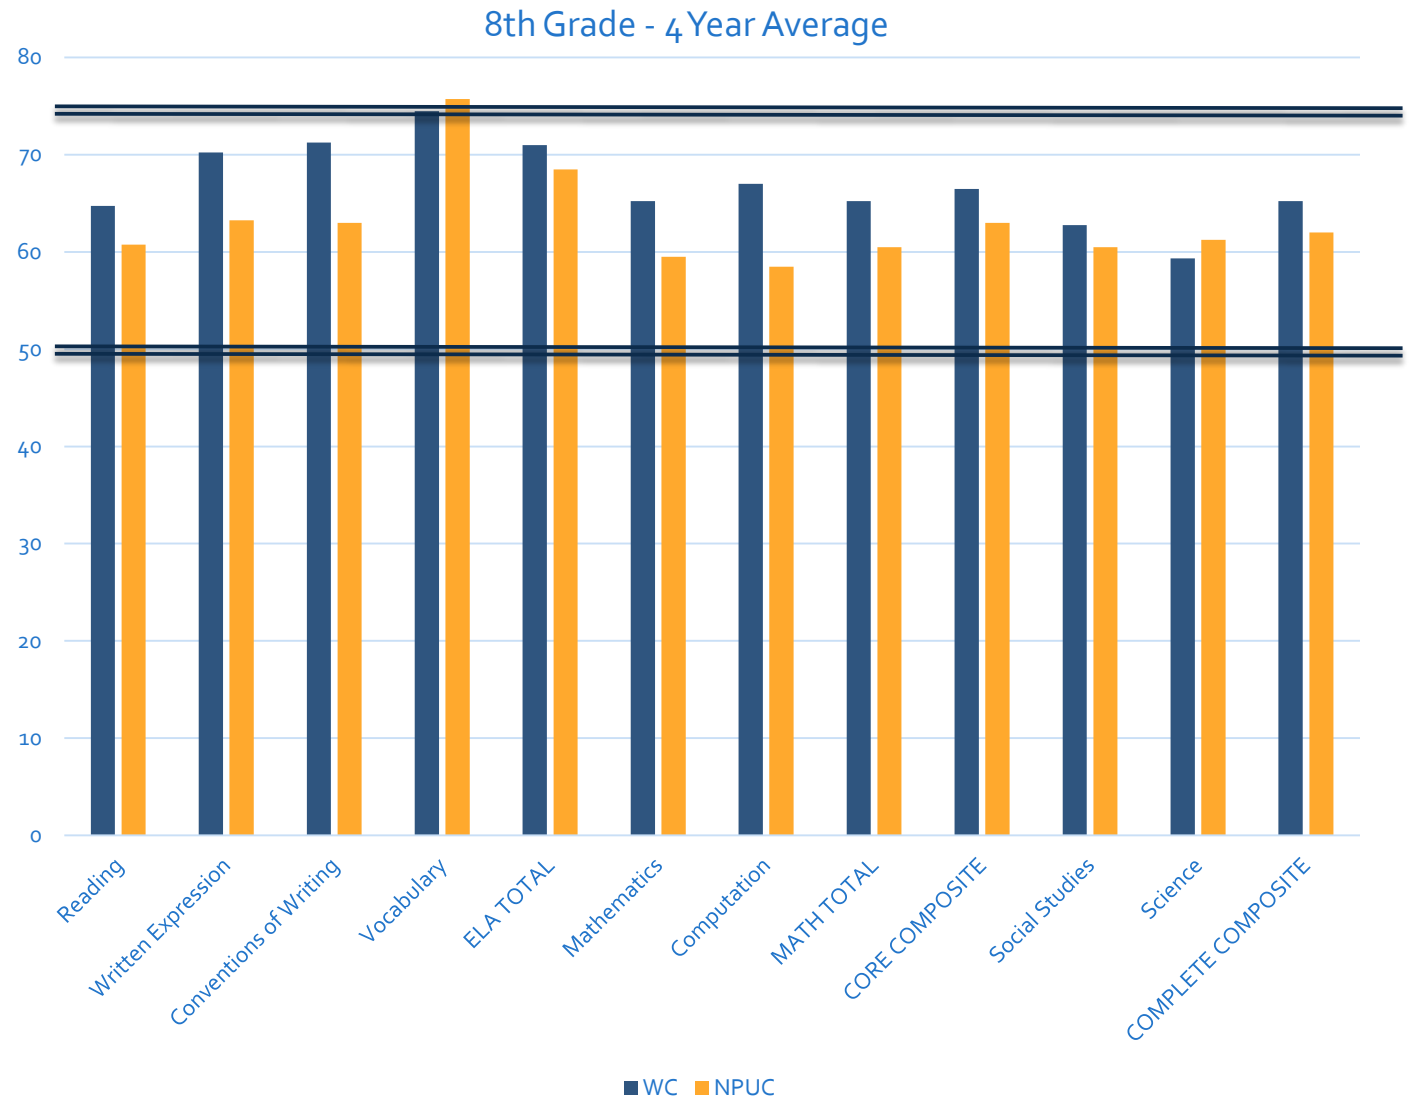

Seventh Grade 4-Year Averages

There is a large positive increase in overall test scores between 6th and 7th grade.

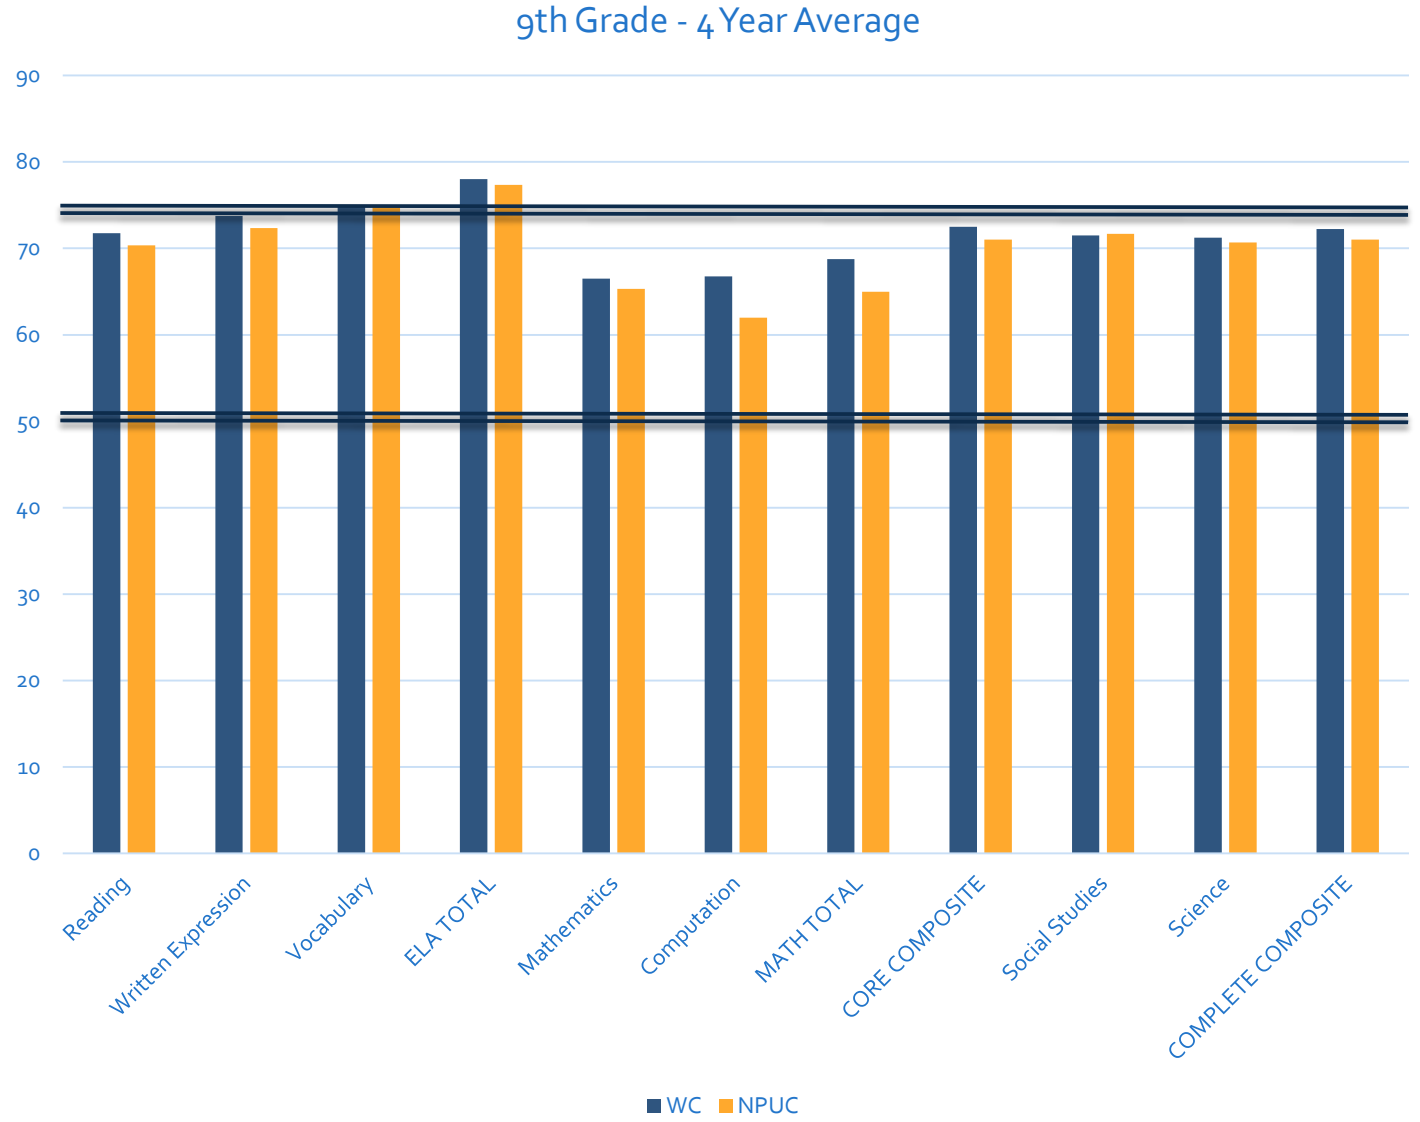

Eighth Grade 4-Year Averages

Scores still rising!

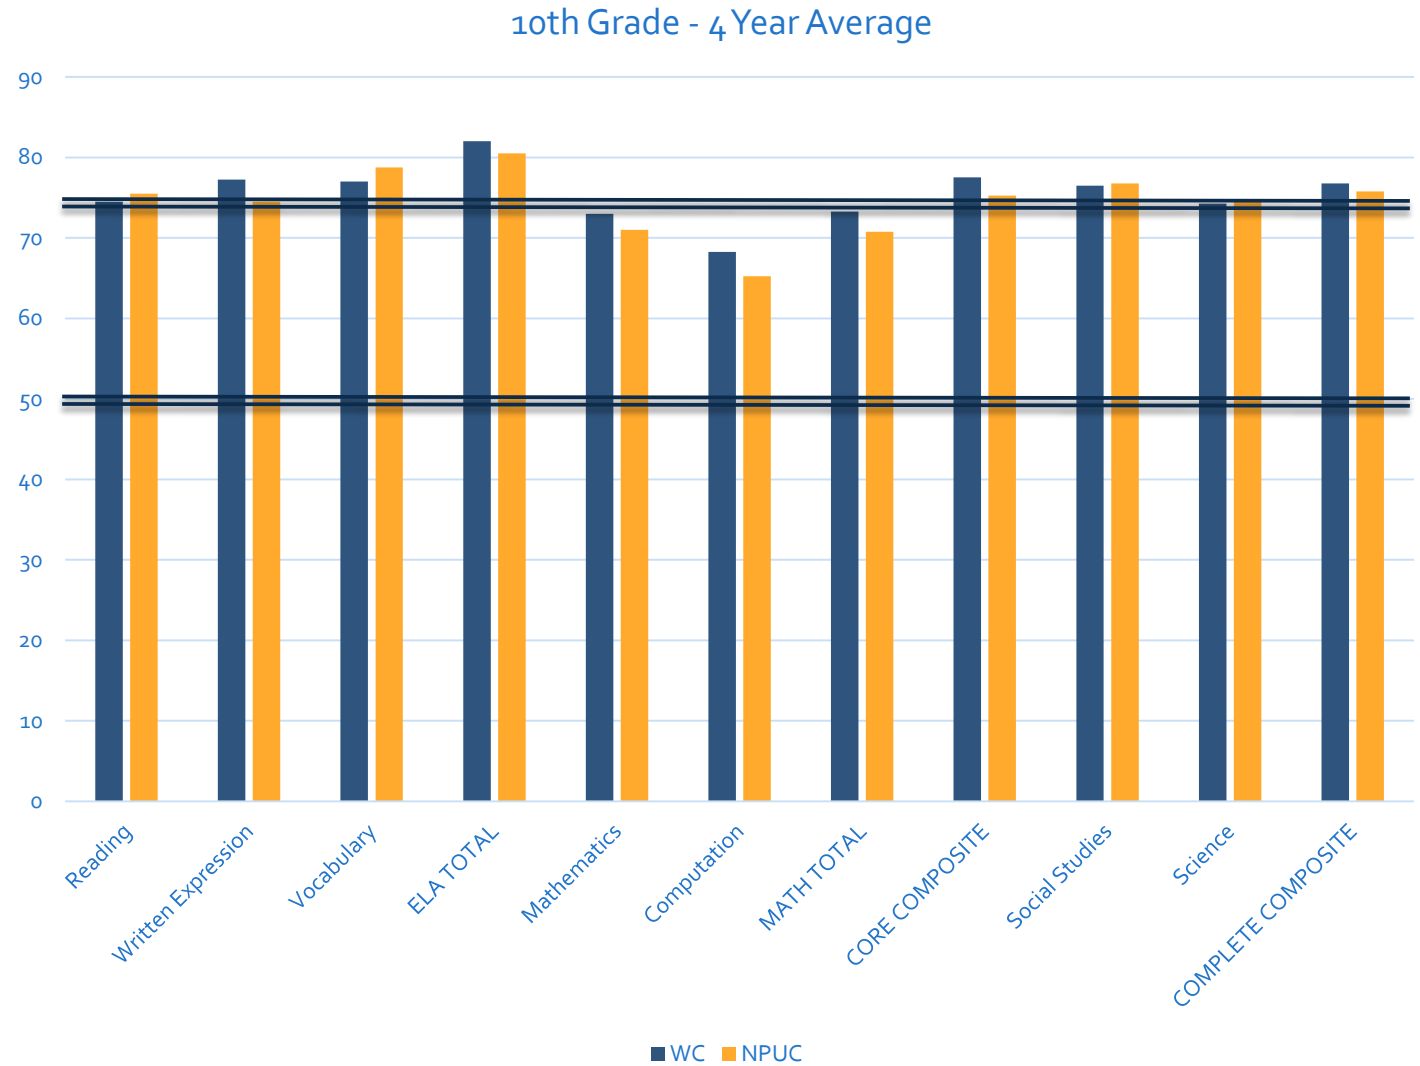

Ninth Grade 4-Year Averages

Scores **STILL**
rising!

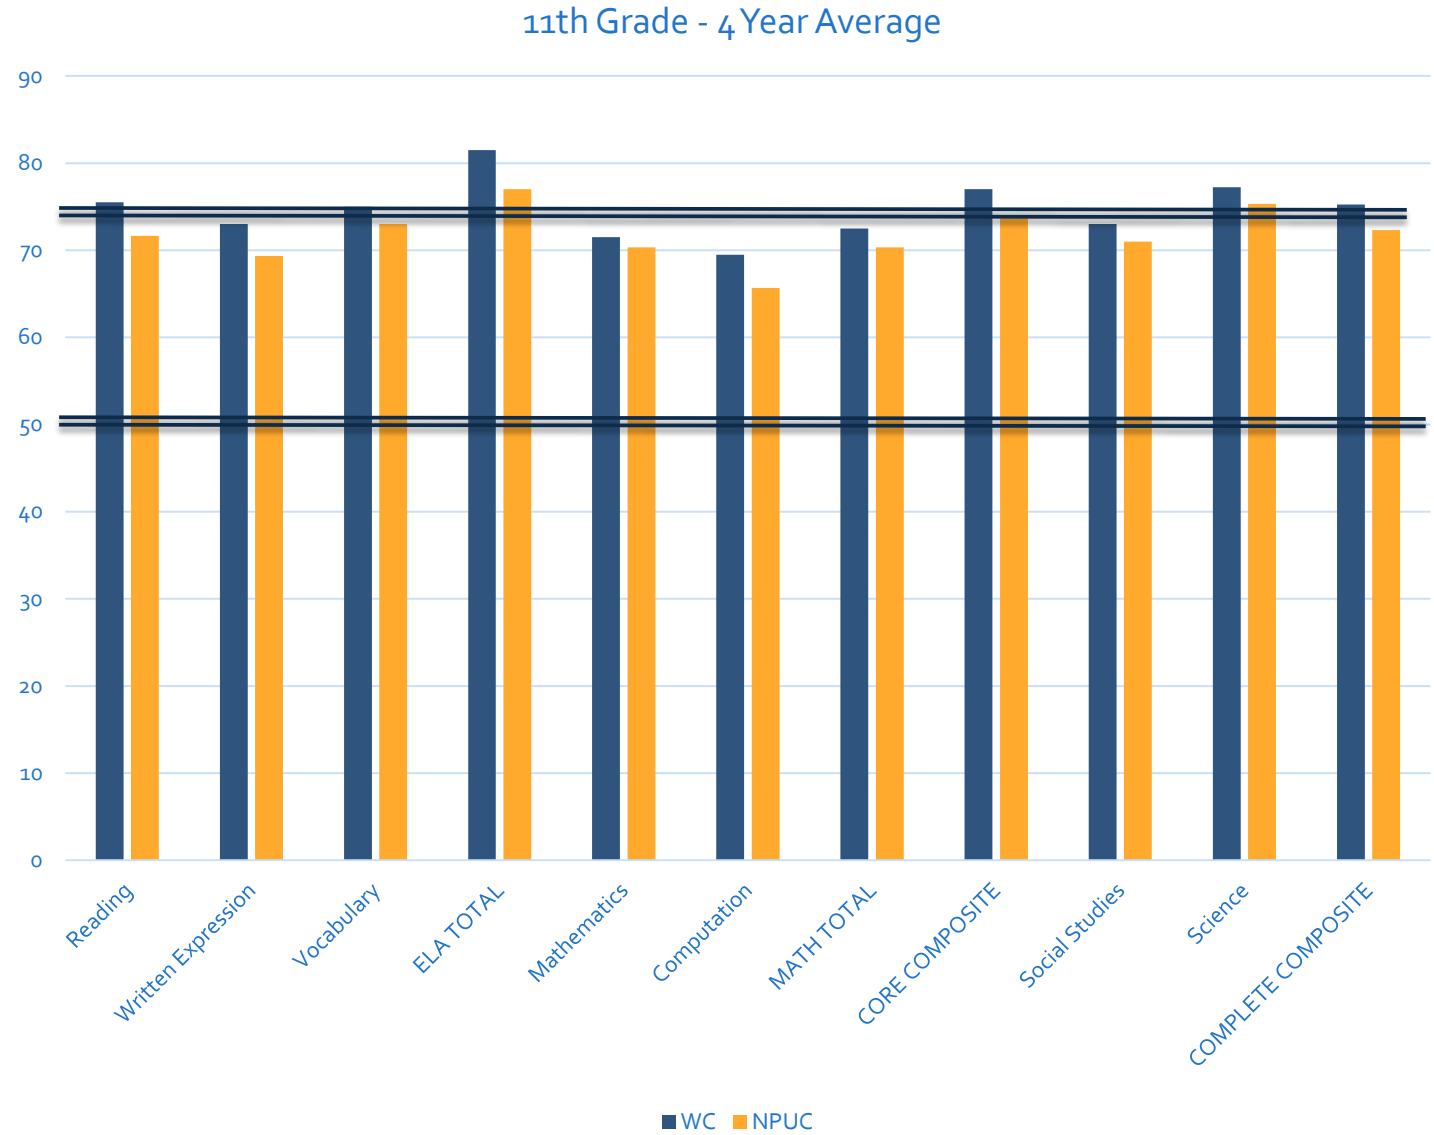

Tenth Grade 4-Year Averages

Scores level out,
but are still
slightly above
average overall.

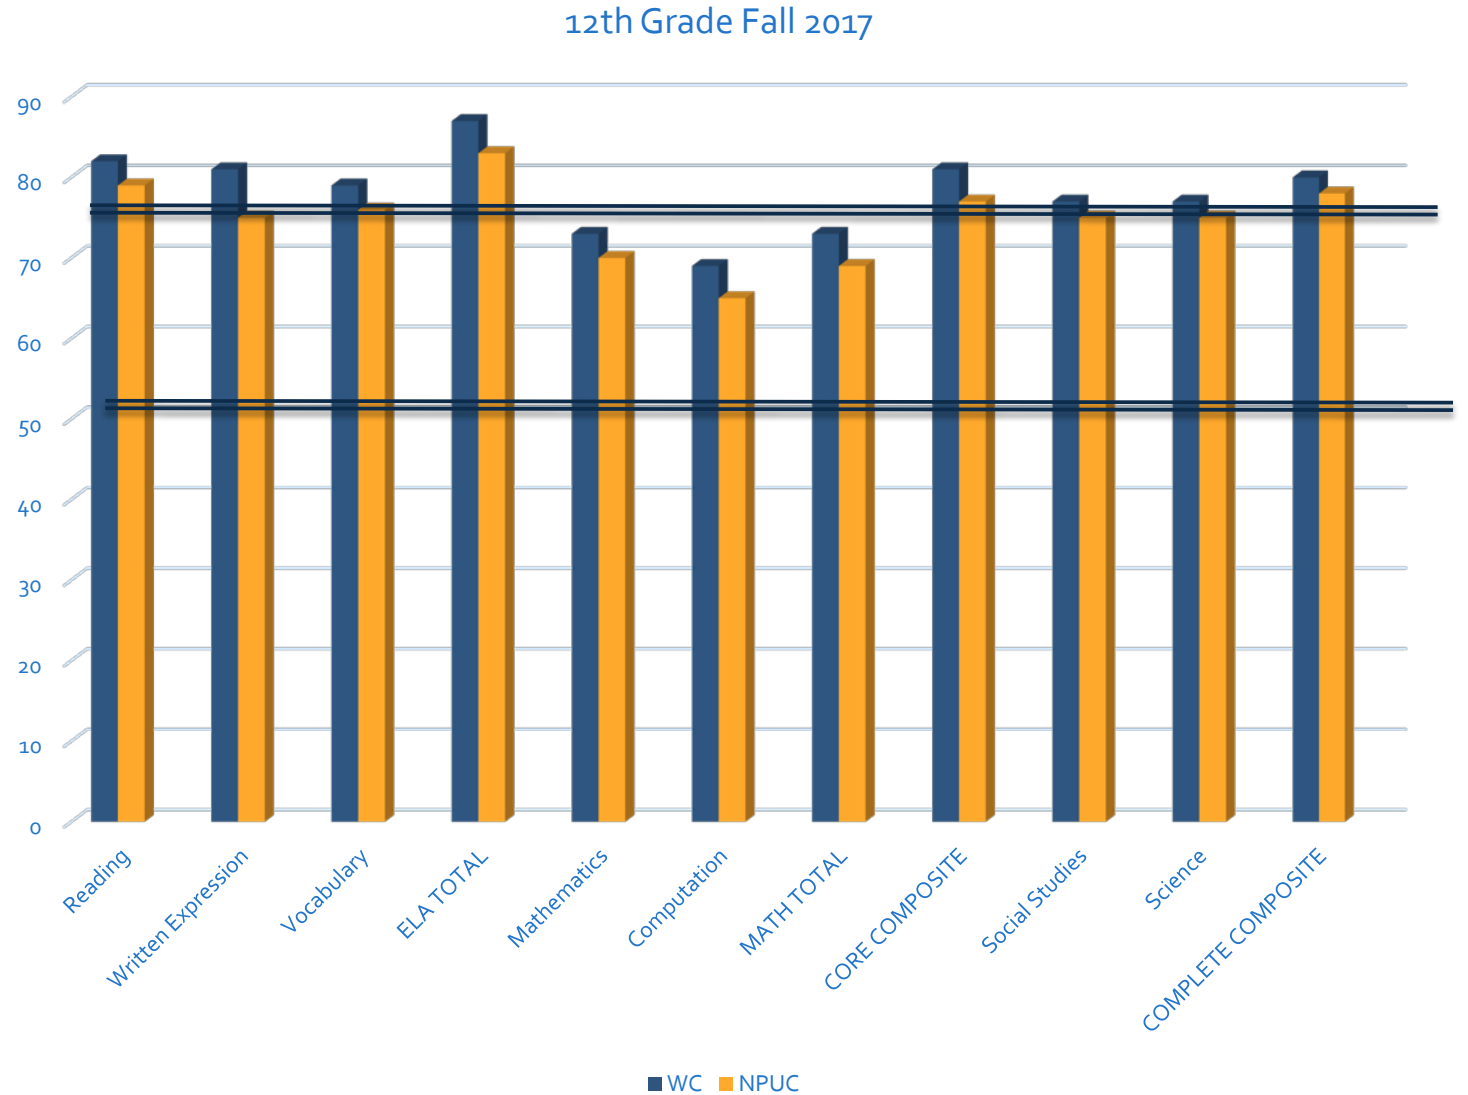

Eleventh Grade 4-Year Averages

Growth continues
to be exhibited in
11th grade.

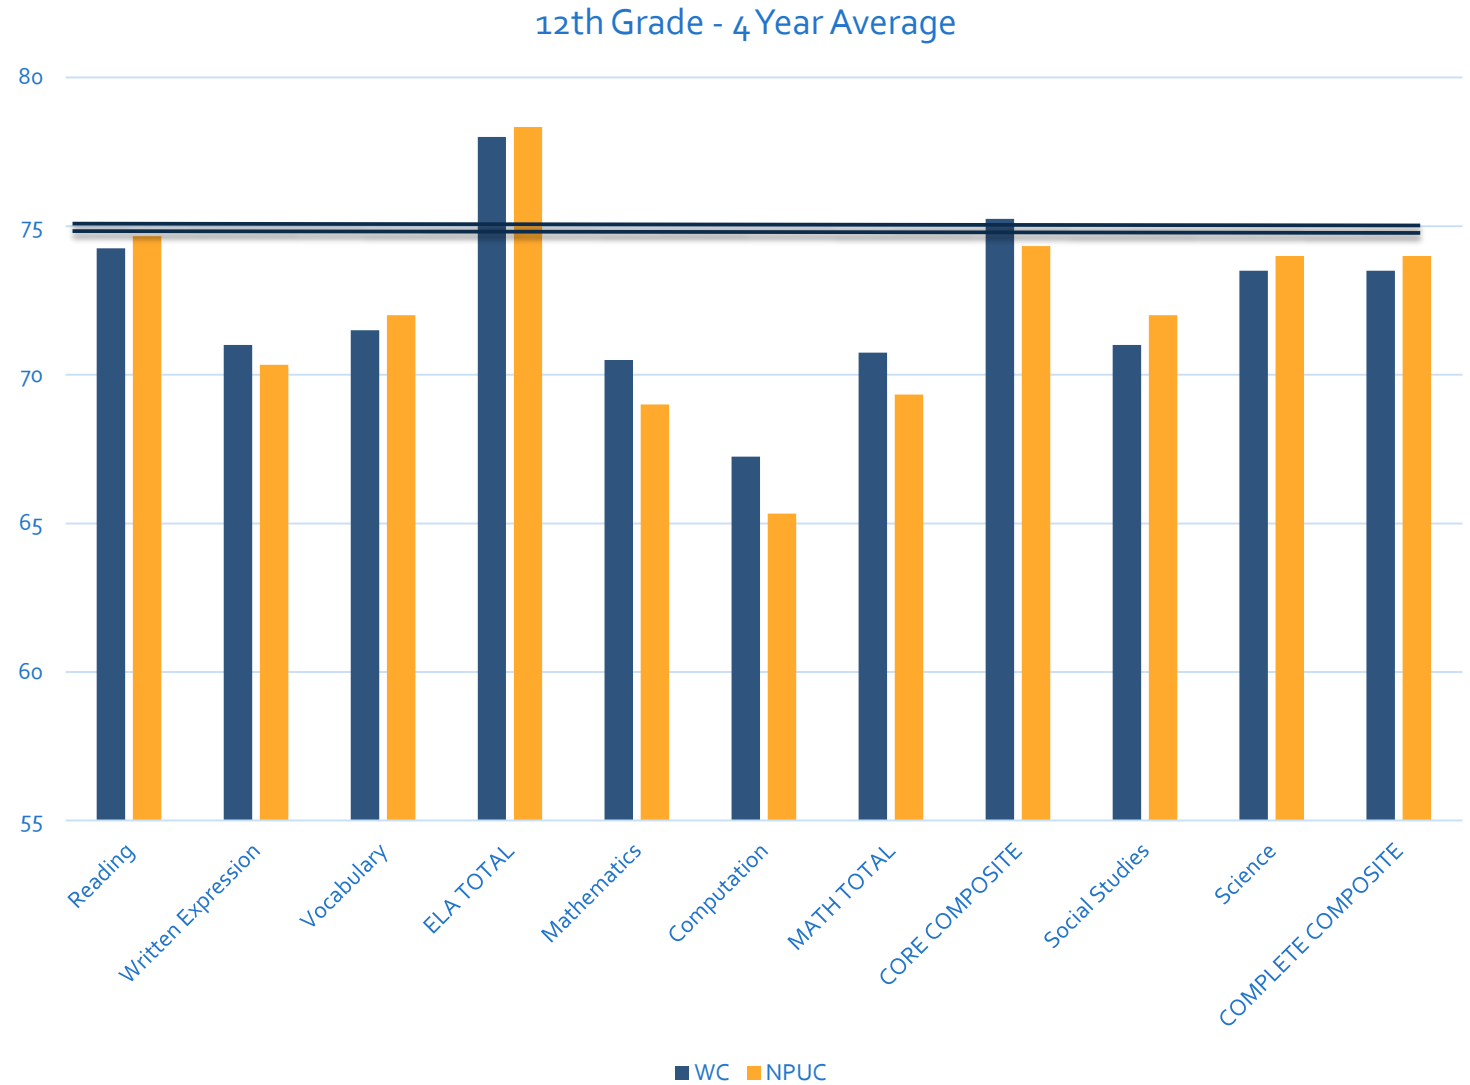

Twelfth Grade Fall 2017

ELA Total for this cohort places them in the top 15% of students nationally!

Twelfth Grade 4-Year Averages

Complete Composite Scores of 74th Percentile places the Washington Conference educational system in the top 26% of schools nationally.
