MIDLAND MUSINGS:

Mrs. Frishmans' 3rd & 4th graders have been studying about George Washington Carver and his contributions to science and the development of some of our favorite foods. Last week they went to the Agricultural Hall of Fame and learned even more about Mr. Carver's work with peanuts. Have you ever tried peanut milk? This was a new one for us!

Midland's senior class kicked off our Service Fridays by helping a senior home owner in Shawnee spruce up their property. They trimmed trees and shrubs, removed gravel, raked and cleaned around the house. They had fun working together, while helping someone else.
