MIDLAND MUSINGS:

This Friday the junior class went to the New Haven Church to help prepare for their weekly food pantry service. Students helped make sandwiches, put together toiletry kits, and sorted boxes full of food.

Mr. Hutchison is able to find a way to raise our level of education in music by incorporating technology into the classroom with different elementary grades. He uses a program called SmartMusic which provides the student with a set of notes to play and the student plays into the microphone of the Chromebook. It is able to assess the student's accuracy and lets them know what went well and where they should improve. Mr. Hutchison is able to help students grow in their musical abilities by using many teaching methods! "Developing passionate followers of Christ who love God and serve people."

WEST LENEXA FOOD PANTRY - All are invited to donate nonperishable food or money for the pantry. Foods collected will be distributed to church members and the community from 3:30 p.m. to 5:00 p.m. every Wednesday evening. Volunteers contact Dan Frishman at (816) 812-3043. We have distributed 973,884 pounds of food from Harvesters since we opened.
